IN Arrow

Hot schmucker distraught by reports Nixon holding up well. "In an overall that he would not collapse" " It would be inhuman not to react to such a loss." Nixon has to be at least depressed.

NBC Today show segment 9/18/74

Nixon on not coming out of hospital as also "conducive to a depressed state" but maybe of "Mood of the moment" only.

Mental state can cause physical illness
LBJ "suffered a heart attack from frustration"
JFK "conditioned for the job" by father.

Nixon relations to earlier defeats" / was impressed at the absence of bitterness."

~~Doc~~ "I don't think he really wanted it" (1962)
he lose" pressed into running against Brown."
Earlier he had started to say" / was opposed to it but shifted immediately upon saying this

(Promoting Book "The Drive for Power")
